

Qualifying Exam Request Memo

Date: _____

To: AE Graduate Committee

From: _____
Advisor's Name

Subject: Recommendation for the Ph.D. Program

RE: _____
Full Name *GTID#* *GPA*

_____ MS: _____ Ph.D.: _____
Best Contact Number *current degree level (check one)*

This student has taken at least 12 credit hours of graduate course work at Georgia Tech and has attained at least a 3.25 GPA in all courses that can be counted towards the 50 hour degree requirement. I recommend that this student be permitted to enter or continue in the Ph.D. programs of the Daniel Guggenheim School of Aerospace Engineering.

I also request that this student be permitted to take the Ph.D. Qualifying Exam in _____ semester of 20__.

The Ph.D. Qualifying examination areas are listed below in bold. Please select TWO sub areas (1 in the disciplinary area and 1 outside of that area):

Aerodynamics

- Fluid Mechanics
- Aerodynamics

Flight Mechanics & Controls

- Controls
- Flight Dynamics

Propulsion & Combustion

- Combustion
- Gas Dynamics

Aeroelasticity & Structural Dynamics

- Structural Dynamics

Structural Mechanics & Materials Behavior

- Structural Analysis

System Design & Optimization

- Fixed Wing Vehicles
- Space Vehicles
- Rotary Wing Vehicles
